Re: Request for Proclamation
National VON Week May 14 - 20, 2007

Dear Members:

May 14 - 20, 2007 is National VON Week. VON Niagara is seeking recognition and support through formal proclamation.

The Victorian Order of Nurses is a part of the history of Canada, of its expansion and development, and of its changing ideals through two world wars, a Great Depression, and the introduction of new medical technologies. VON is a Canadian treasure committed to a second century of service. Of special note is the celebration of VON Canada’s 110th anniversary of providing quality, personal health care to those in the community who cannot care for themselves.

We are confident that Council will acknowledge and support the great work of VON within the Niagara community by introducing a resolution and formally proclaiming May 14 – 20, 2007 as “VON WEEK”.

Thanking you in advance for your assistance.

Sincerely,

Robert Tanouye, President
Board of Directors
